

## **FOREX BUREAU – CAIDDH LAW FIRM IN THE USA**

CAIDDH Law Firm Bureau de Change in Kinshasa, DRC, is a currency exchange agency. We are an agency specializing in transactions involving the purchase and sale of foreign currencies at the best euro-to-dollar rates in Kinshasa, the capital of the Democratic Republic of the Congo. Kinshasa is a dynamic megacity of more than 17 to 18.5 million inhabitants, making it the largest French-speaking city in the world. Located along the Congo River, it is the political and economic center of the country.

Forex is a financial market in which foreign currencies are traded 24 hours a day, 7 days a week worldwide. Forex is the market where currencies such as the euro, the dollar, and others are exchanged.

CAIDDH LAW FIRM currency exchange agency was founded in 2019 in the State of Washington, USA. It is one of the best currency exchange bureaus in the USA and in the Democratic Republic of the Congo (DRC), including Bukavu in South Kivu Province, Kisangani in Tshopo Province, Kolwezi, the capital of Lualaba Province, and Lubumbashi, the second-largest city in the Democratic Republic of the Congo (DRC), nicknamed the “Copper Capital,” and the capital of Haut-Katanga Province.

## **FOREIGN EXCHANGE MARKET – FOREX / FX**

Forex (Foreign Exchange Market), also known as the foreign exchange market, Forex, or currency trading, is an international over-the-counter market where investors trade global currency pairs at a price agreed upon in advance.

Basically, this foreign exchange market serves practical purposes, such as helping companies that need foreign currencies to conduct their international commercial operations, as well as individuals who need to exchange their currency before traveling.

Forex trading consists of taking a position on changes in currency prices. Please note that currency exchange transactions are a common activity, carried out every day by various entities such as governments, banks, and individuals.

The foreign exchange market (also known as Forex or FX) is the global market for trading currencies and derivatives. Forex trading is the exchange of currencies; in simple terms, it involves buying one currency and selling another.
